

SOLO M 2.0 FLEX

Electric desk frame with one motor. Robust, flexible model for a straight desktop with height-adjustable function, allowing each user to create their optimum work environment.

- Height-adjustable
- Ergonomic
- Elegant legs of rectangular design

An electric Sit & Stand frame for straight desktops, with continuous height adjustment control, makes it easy for the user to create an ergonomic work environment. Robust and flexible design that can be adjusted lengthways ensures a reliable desk that is easily adapted to the desktop of your choice. Free-standing legs allow optimum freedom of movement thanks to unrestricted leg room.
