

# MINI single pedestal with 2 castors

*Light and flexible single-leg desk frame on castors for a flexible work station that can easily be moved and features good ergonomics. Available in two different widths.*

- Compact
- Easy to move
- Ergonomic

Electric Sit & Stand frame featuring excellent performance despite its compact design. Ideal for users who need a work station that can be moved around with them, as the frame is on castors and can be moved and handled with ease. The latest technology in height adjustment control ensures reliable and ergonomic operation. Comes with two smaller castors located on the rear edge of the frame.
