

# Cable Tray Conference

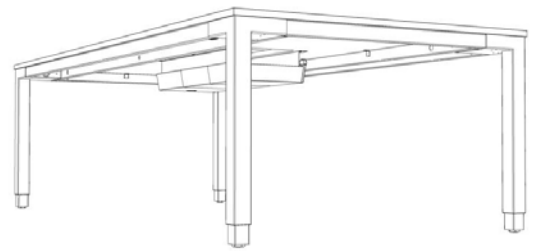

## Swedstyle Cable Tray Conference / Creative Surface

A cable tray with three different mounting options that is compatible to all Swedstyles conference tables. The cable tray can be mounted with screws directly on the underside of the table top, it can be hung directly on the frame tubes or placed in the table top after milling. The cable tray be retrofitted. Available in two sizes 400 or 800 to fit both large and small conference tables. Combine several to achieve the desired length.

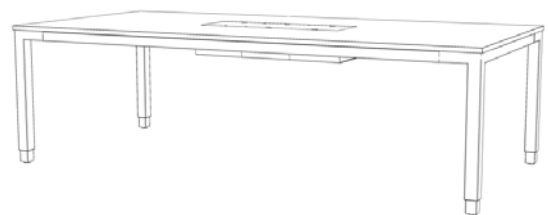

Creative Surface is accessories for the Cable Tray Conference which creates a creative environment at your conference table. By milling the table top, you can use the cable tray for immersed storage. Combine with different "tops" to fit the storage you want. Lower a bowl for serving, a plant that contributes to well-being at the meeting table, place a Qi charger for easily accessible mobile charging or use it for pencils.

- Stylish and practical storage of cables
- Easy access
- Fits all table tops
- Easy to assemble
- Expandable
- Angled and adjustable laterally
- Can be retrofitted

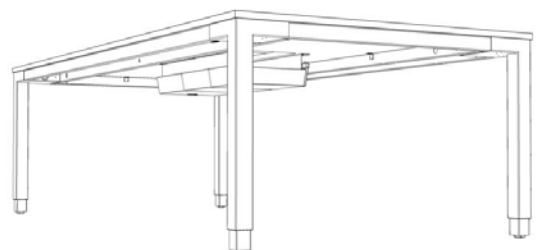

Mounted directly on the underside of the table top

Can be hung directly on the frame tubes

placed in the table top after milling
